

Y.L. C.A.R.S. Preamble

Young Ladies Cascade Amateur Radio Society

Calling the Y. L. C.A.R.S. Net; Calling the Y.L.C.A.R.S. Net.
This is _____ calling the Net of the Young Ladies
Cascade Amateur Radio Society. The Purpose of this Net is
for radio testing preparing amateurs for emergency
communications and to provide those with a common
interest to meet on the air.

Please follow the direction of Net Control . All stations are
free to secure after check -in.

This Net will accept emergency traffic at any time .

Although primarily for members of the Young Ladies
Cascade Amateur Radio Society , all amateurs are invited
to check into this Net.

This Net meets every Wednesday Night at 9:00 p.m. on
146.700Mhz , negative offset , with PL tone of 100 Hz.

Net Control tonight is (call sign)____ My name is _____

And my station location is (Your City or District)_____.

Is there any emergency traffic?(Handle immediately as
received .)

**Are there any bulletins, announcements, or events for
the Net for this general membership?** (Handle in order
as received or listed.

If there is none, but you have an announcement to share do
so.

This is (call sign)_____ (my name is) _____ (my
location is)_____. Net Control will now call for anyone
that would like to check-in on the Y. L. Net tonight. Please
speak slowly and check -in with your location, call sign
and name. (After they check -in with you acknowledge
who it was that checked -in. And mark it down in the
spreadsheet. When finished , again repeat your call sign
_____,name _____ , location_____ . Acknowledge and

allow an opportunity for comments at the same time.)

Are there any missed bulletins, notices or contacts for the Net , (If none is heard , you can close the Net.)

I would like to thank all check-ins to Net of the Young Ladies Cascade Amateur Radio Society, should an emergency arise , all members are requested to tune in to this frequency , 146.700 Mhz , negative offset , with a PL tone of 100Hz or 147.555 Mhz primary simplex , 147.570 Mhz is the designated secondary simplex frequency for this Net.

This is (call sign)_____ Closing this session of the Young Ladies Cascade Amateur Radio Society and releasing the frequency to general amateur use. Have a good evening . Any stations wishing to stick around and chat a bit are encouraged to do so .

This is (call sign)_____ signing off
