The
Emergency Plan

...is more
accurately
called...

The
**Preparedness
&
Response Plan**

It's rather
simple...

We Prepare...

...before the
emergency

We Respond...

...during & after
the emergency

...to help people.

After the
emergency...

we “Mitigate”

...i.e., we “fix”.

OK, so far?.

The
Most Important
element?

Ask
Questions!!

What
Worked?

What
Didn't

Why?

What
will we do
better or
different
next time?

Where
else can
we apply?
